IMPORTANT AUCTION UPDATE!

We are excited to announce that our auction has gone mobile this year with Handbid! You will be able to bid from your smartphone before and during the event (or from iPads provided). This will make the bidding process easier and more fun for everyone!

WE CAN GET YOU SETUP WHEN YOU ARRIVE, BUT SAVE TIME AT CHECKIN BY GETTING SETUP AHEAD OF TIME!

FOLLOW THESE THREE EASY STEPS

- 1** DOWNLOAD THE **HANDBID** APP
From the AppStore or Play Store.
- 2** TAP **GET STARTED** & CREATE YOUR ACCOUNT
Enter user information & Handbid will text you a PIN code. Enter the PIN code.
- 3** SELECT OUR **AUCTION**: Parmalee Spring Auction and Carnival
Select **BID** when it asks you to **BID** or **BROWSE** to get registered
Select Swipe left to enter the auction & accept push notifications. In the app, swipe left/right to access categories & items.

NO SMARTPHONE? NO PROBLEM

- You can bid BEFORE the event from your Internet Browser
- Go to our auction by clicking here: <http://handbid.app.link/parmalee-auction>
- If you don't have an account click the pink '**REGISTER**' button
- You can use the same sign on information (PIN+Phone) whether you use web or your phone & you can use either user interface interchangeably.
- We will have iPads available at the event for anyone who does not have a supported phone or would prefer not to download an app. We will instruct you once you arrive.
